Instructions

There are 4 steps to completing the Clean Sweep™ Program.

Step 1 Answer each question. If true, tick the box marked True. Be rigorous; be a hard marker. If the statement is sometimes or usually true please DO NOT tick the True box until the statement is virtually always true for you. (No "credit" until it is really true!) If the statement does not apply to you, tick the True box. If the statement will never be true for you, tick the True box. (You get "credit" for it because it does not apply or will never happen.) And, you may change any statement to fit your situation better.

Step 2 Summarise each section. Add up the number of True boxes for each of the 4 sections and write those amounts where indicated. Then add up all four sections and write the current total in the box on the front of this form.

Step 3 Colour in the Progress Chart on the front page. If you have 9 Trues in the Well-Being section, colour in the bottom 9 boxes, and so on. Always start from the bottom up. The goal is to have the entire chart filled in. In the meantime, you will have a current picture of how you are doing in each of the four areas.

Step 4 Keep playing until all boxes are filled in. You can do it! This process may take 30 or 360 days, but you can achieve a Clean Sweep! Use your coach or a friend to assist you. And check back once a year for maintenance.
